The Basic Rules:

This is a 'Danceathon' and therefore all 'competing' skaters will be on the ice at the same time. All Skaters will wear colour coded numbers to denote their NISA Standard. All skaters may join in all Dance Intervals. There will be a prize for each Category in every Group. Under 21 Skaters 'compete' for the NISA Standard Category' according to their current Compulsory Dance Level Category. Over 21 Skaters can skate in every Group – no standard applies. Under 21 Skaters cannot skate below their category – but can compete for the 'Aspiring Skater' award in each Group (*please note – the dance intervals will be overseen by the judge and if it is perceived that a skater, whilst trying very hard, could be a danger to other skaters they will not be allowed to compete in the Aspiring Skater Category for that dance – this is only likely to occur at level 3 and above*)

Yes, I would like to enter the Montem Ice Skating Club Danceathon!
